Profile

Artist-singer in progress of changing career, for the reason of having a steady job, a more stable income, a comfortable life, and following my second passion in life, which is technology.

I am dedicated, perseverent, attentive to details, very adaptable, experienced in teamwork, very passionate about computers and internet.

I consider myself organized, ambitious, open-minded, self-motivated and I enjoy working in a team or independently.

I have self taught basics in OOP Programming in C#, HTML, CSS and Javascript and I'm very open to learn more.

I recently passed IT Intro test at Scoala Informala in Cluj-Napoca, and was enrolled at the course of .NET Development.

I am very motivated and willing to learn much more.

Employment History

Artist - Singer, Opera Nationala Romana Cluj, Cluj-Napoca

October 2017 — January 2019

During my time here I had the chance of developing, besides artistic and creativity skills, the fast learning skill, communication skills, teamwork, effective time management, ability to work under pressure.

Artist Singer, Costa Crociere, Italian Cruise Ship

May 2016 — December 2016

Working here gave me the chance of practicing my foreign language speaking, such as english and italian and developing skills such as adaptability, problem solving, teamwork, ability to multitask and to follow instructions, self-motivation and effective time management.
